

ROCK ME BABY

Recorded by DAVID CASSIDY
on the Bell label

You may call me a rolling stone
I am a free born man and I stand alone
I come looking for a little satisfaction
I don't drive no Cadillac
All I got's hanging off my back
But I do believe in physical attraction

CHORUS

I can warm your coldest night
I'll make everything all right

Ooh rock me baby

Make me feel that beat
I said ooh rock me baby
Right down to my feet
I said ooh rock me baby
Hold me oh so tight
I said ooh rock me baby

Rock me through the night

You'd better hold me while you can
Or you're gonna lose your midnight man
Now come on and rock me, rock me.

I was twelve when I left home
Ever since I've been on my own
I come looking for a little recreation
Guess I'll never settle down
It's always been just one more time
While I go from coast to coast across the nation
I can't promise I'll be true
But I'll just see what I can do

REPEAT CHORUS

Come on and rock me
Come on and shock me
Right now roll me
Come on and squeeze me
Ooh you sure can please me
Mmm'mm
All right now get down

REPEAT CHORUS

REPEAT CHORUS AND FADE
