

YOUR LETTERS

DAVID'S LETTER

Dear Pat,

I was really disappointed when I read that David's personal letter was to be left out of the magazine. It seems that he hasn't been writing for a while because he needed to concentrate on reading scripts. However, he's been writing in another mag. I do hope that he won't stop writing altogether.

JANE HART, Guildford, Surrey.

The answer is completely in David's hands. ED.

RINGS

Dear Pat,

On one of David's albums there are only two pictures in which he wears his ring on the little finger of his left hand. These are both taken outside, at different times, so there are no mirrors through which the photo might have been taken. Would you tell me why the ring is on a different hand than usual.

PAT SULLIVAN, Edgware, Middlesex.

I don't remember David changing his ring, so perhaps the two photos you've seen were reversed when the films were processed—it does happen sometimes. ED.

HAZEL EYES?

Dear Pat,

Please tell me the true colour of David's eyes. In two previous issues you said they were hazel, and most other magazines state this too. However, in the competition in aid of The Friends Of The Children's Society, one of the questions was "What colour are David's eyes?" I thought that the reply was easy—hazel! But to my horror, the answer on the sheet was—brown! I expect that lots of other people thought the same as me. Please put us right.

SANDRA CARTER, Liverpool.

Having looked into them on several occasions, I can assure you that David's eyes are hazel. But that is sometimes regarded as a light shade of brown. ED.

NEW PIX

Dear Pat,

I have only two pictures of David with his hair cut, so I really haven't had a chance to get used to it yet. Could you please print a few pics of him with his new look in the magazine. Thanks.

DAWN PRICE: Wednesfield, Wolverhampton, WU11 2JN.

We haven't had many pictures of David with his hair short yet Dawn—but as soon as we do, they'll be in the mag. ED.

RECORDING

Dear Pat,

This is a plea to all of David's fans who saw his wonderful concert in Shawfield stadium last May. "Please could you send me a recording". I'd be sure to return it safely, by return of post. It would help me recall some incredible memories! Thanks in anticipation.

ELISABETH CLARK, Bothwell, Glasgow, Scotland.

Anyone want to help Elisabeth recall that very special concert? ED.

SURNAME

Dear Pat,

I would like to know whether Butch Cassidy and John Cassidy (the Irish poet) come from the same family as David.

CHRISTINA, Amboise, France.

Anyone who has the surname Cassidy is related in some way Christina. ED.
