

SOME KIND OF SUMMER

Recorded by DAVID CASSIDY on
his maxi-single on the Bell label

CHORUS

Didn't we have ourselves some kind of a summer
Didn't we have ourselves some kind of a time
Guess I never took the time to tell you how much
I love you
You and the road keep flashin' through my mind
You and the road keep flashin' through my mind

Caught a sunrise service on a Sunday in North
Dakota

Imagine you and me singing in a gospel choir
Spent a rainy night on a river in Oklahoma
Saw the Northern Lights on a Minnesota night
An' our souls were a little bit higher

REPEAT CHORUS

The old De Soto that died on a hill it couldn't climb in
Montana
The kid who bought the wreck, said what the heck
I'll give you 35

So we're on our own, had our thumbs to take us
home to California
By the time we made Denver with our truck drivin'
friend we had wheels on fire

REPEAT CHORUS

You and the road, you and the road on my mind.
