

I THINK I LOVE YOU

Recorded by DAVID CASSIDY
on the Bell label.

I'm sleepin'
And right in the middle of a good dream
Like all at once I wake up
From something that keeps knockin' at my brain
Before I go insane
I hold my pillow to my head and spring up in my bed
Screamin' out the words I dread
"I think I love you, I think I love you"

This morning
I woke up with this feeling
I didn't know how to deal with
And so I just decided to myself
I'd hide it to myself and never talk about it
And didn't I go and shout it when you walked into the room

I think I love you, I think I love you
I think I love you, so what am I so afraid of?
I'm afraid that I'm not sure of a love there is no cure for
I think I love you, isn't that what life is made of?
Though it worries me to say that I never felt this way
I don't know what I'm up against
I don't know what it's all about
I got so much to figure out
Hey! I think I never felt this way.

Believe me, you really don't have to worry
I only wanna make you happy.
And if you say "Hey go away!" I will
But I think, better still, I'd better stay around and love you
Do you think I have a case? Let me ask you to your face
"Do you think you love me?"

I think I love you
Oh, I think I love you

REPEAT UNTIL FADE
