

SONG FOR A RAINY DAY

(Recorded by David Cassidy on the Bell Label)

*It's hard to say it
But I think love's gonna end
Once we were lovers
And now we're not even friends.*

CHORUS

*It was good to have you near me for a while
When we made each other happy
When we made each other smile
And the worst part is the knowing
That my castle in the sky fell apart
And it's too late to build it up
—Too late to try
You took every dream I planned
And every dream I tried to say
Seems I always think about you
Most of all on a rainy day*

*Just hold me one more time
So I can close my eyes
Remembering how you feel
Before we say goodbye.*

REPEAT CHORUS UNTIL FADE
