

# I write the songs

*I've been alive for ever  
And I wrote the very first song  
I put the words and the melodies together  
I'm music! and I write the songs*

## CHORUS

*I write the songs that make the whole world sing  
I write the songs of love and special things  
I write the songs that make those young girls cry  
I write the songs, I write the songs*

*My home lies deep within you  
And I have my own room in your soul  
And we're such good friends when I look out  
through your windows  
You make me young again even though I'm  
very old*

## CHORUS

*Oh my music makes you dance  
Gives you spirit to take a chance  
And I wrote some rock n' roll so you'd feel so good  
My music's in your heart  
And it's a real fine place to start  
It's from me, it's through you  
It's from you, it's through me  
It's a world wide symphony*
