

PEN PALS

Here's a special message to everyone who has written in for a pen-friend. As there have been so many of you, we can only print a limited number of names each month, so if you don't see your name here this month - keep your fingers crossed and perhaps it will be in the next issue! Although we do hope that you all have plenty of people writing to you, we can't guarantee replies to your letters.

However, for all those who'd like a Scandinavian pen-pal, there'll be some special news in next month's pen-pal page. In the meantime, if you would like a pen-pal from Finland, Sweden, Norway or Denmark, please send me (Pat Wallace) a postcard with your name, address, age and hobbies, and country of preference.
