Hi!

I must say it really is nice to be able to have a chat with you all each month on this page. I've just been reading through some of your letters and I've noticed that a lot of you have been asking when the next issue of David's magazine is going to be on sale. Well, the 15th of every month is the date we aim for, but of course, some months this falls on a Sunday when deliveries of your favourite magazine can't be made. We can assure you though, that on, or around that date all you have to do is pop into your nicest newsagent and you'll find David there, waiting to greet you. What more could you want! Why not be sure of your copy every month by placing a regular order!

Of course, the biggest buzz on the grapevine this month is the fantastic news that David is due to arrive in Britain for some concert dates. Where and when these concerts are to take place is subject to several rumours, but at the time of going to press all our calls to the States have revealed that David is trying to find a big enough theatre over here, so that more of you can get to see him. But don't worry though, as soon as we have some definite news we'll keep you well informed.

Getting back to your letters, a lot of you have written in asking why your message or letter hasn't been printed. I'm really sorry that a lot of you have been disappointed, but we really haven't got enough space to print them all. Don't lose heart though, we're doing the best we can! Which brings me on to some very exciting news: It's obvious from your letters that you like to have your messages printed, that you all like singing along to the words of David's and The Partridge Family's songs and that you like to see lots of super photos of your fave artists. Well, taking this all carefully into account, we've decided to publish a new magazine that is specially for you! It's called "Mickie, Message and Songbook" and contains all the words to latest hits, plus lots of great pics and, most important of all, your personal messages. Make sure you don't miss out on this super opportunity. It's only 5p and it's at your local newsagents now, so do get your copy. It's not to be missed!

Pat
