Dear Jane.

If you are going to David's show at the House of Blues in Harrah's Atlantic City on June 9th, you could be the lucky one to join David for dinner after the show. He'll be announcing the name of his dining companion at the show.

Think of you and David overlooking the Atlantic Ocean and the world-famous Atlantic City Boardwalk, having dinner in the private Foundation Room Restaurant and Luxe Lounge.

The room is adorned in colorful jewel-tones, global art, architectural artifacts and you'll enjoy the music and entertainment that work together to create an eclectic atmosphere in Atlantic City's most unique and enticing room. It will be a night to remember.
