

# ith **YOUR** fav star!

Chat with him, hold hands with him,  
hug him, kiss him, get his private home  
address and personal phone number —  
AND get a lock of his hair!!

**WHO'S YOUR FAV?!** Who do you love more than any other star?! Whose face appears in your secret thoughts and dreams?! Are you mad for **MARK LESTER**? Are you wild for **JACK WILD**? Do you sigh for **BOBBY SHERMAN**? Is **DAVID HENESY** your idea of heaven? Do you have a craving for **MIKE COLE**? Do you go weak at the sight of **BARRY WILLIAMS**? Does **SAJID KHAN** turn you on? Is **DAVID CASSIDY** your heart of hearts? Does **JOHN** — or **BARRY** — **COWSILL** have Cupid whispering sweet music in your ears?!

If any of the above is true (or if you love still another star!), *read on* — and don't skip a syllable, cos we've got news for you that'll make your heart skip a beat, put roses in your cheeks and stars in your eyes, and send you swooshing through space on a fluffy pink cloud!! **YOU CAN WIN A "DREAM DATE" WITH YOUR FAV STAR! YES, NO MATTER WHO YOUR DREAM GUY IS — YOU CAN MEET AND GO ON A DATE WITH THE STAR YOU ADORE!!**

Just imagine what will happen when you date your fav. It will be a dream — *your dream* — come true! He'll chat with you, confide in you, exchange secrets with you — *and hold your hand!* Pictures will be taken of just the two of you together — so that you can have a picture book of your date to cherish forever! And imagine this — if you can!! *Your very favorite star will give you his own private home address AND his own personal phone number!!* Could you wish for anything more? Yes, you could! And it too will come true!! When, at last, you say goodbye to your dream guy, *he will hug you — and you will hug him — and kiss him — and he will give you a lock of his hair!!*

It will be the thrill of a lifetime — and you can win it for your very own just by writing a *one-page letter* telling simply and sincerely: "*Why I Would Love to Meet .....*" (you fill in the name of your very favorite star!) Write just as if you were confiding your feelings for your dream guy to your closest girl friend and let the words come straight from your heart. *Don't* let the fact that you feel you can't write well keep you from writing this letter. "Good writing" will not prevent you from winning this contest. All letters will be judged on the basis of *sincerity* and *enthusiasm* — so just pour out the way you feel! And be sure to write on *one side* of the paper only — don't write on the back.

When you have written your letter, choose a photo-

graph of yourself taken recently. Attach your photo to your letter — then fill in the coupon on this page (*be sure to print your phone number in the space provided*), cut it out and mail it, together with your letter and photo, to the address on the coupon. *Note: no photographs will be returned.*

All letters will be judged by *16's* editor, Gloria Stavers. She will select the *one letter* which in her judgment is the best — the most heartfelt and the most sincere. And the writer of that prize-winning letter will either fly, with her chaperone, to wherever her fav star is at the time — *OR* her fav star will fly to wherever she is and visit her in her own home town!!

From start to finish, of course, *16 Magazine* will take care of all travel and hotel arrangements and will pay all expenses — for both you and your chaperone. And don't worry if you're shy. Your very favorite star will be in charge every minute you're together — and he'll know exactly what to do to make your "dream date" absolutely perfect!

So grab on to a pen or pencil and paper right now! Think about the glorious, unforgettable day when *you will actually meet the guy you love — when you will talk to him, hug him, kiss him — and get a lock of his hair! And then let the words come from your heart!!*
