

# Tiger Beat Q & A

**Q.** Please set me straight about Marlo Thomas. Is she married, getting married, or what? I'm a big fan of hers!

**A.** This answer may sound a little mixed up. First of all, Marlo is not married. Now come the complications. For quite a long time her steady boyfriend has been Len Goldberg, an executive with ABC-TV. When things have gone badly in the past for Len and Marlo, she steady dated Ted Bessell. Most recently, she's been dating Ted more steadily than Len. So, you can decide in your mind how the situation stands!

Marlo David

**Q.** I say that David Henesy is 14, and my brother says he is at least 16. Please tell me who's right.

**A.** You are. David is 14, born October 20, 1955.

**Q.** Is it true that Dennis Cole is Michael Cole's brother? My girlfriend said "It's his cousin." Thanks.

**A.** Dennis and Mike are not related at all.

Dennis Michael

**Q.** Yesterday in school some of my friends and I were talking about Bobby Sherman, and they started saying very mean things about him like that he smoked and I was sure that this wasn't true, so I told them, but they didn't believe me. Would you please tell me the truth, so I can prove it to my friends.

**A.** You were right to stick up for Bobby! He definitely does not smoke, and if they don't believe you, tell them to read his sister's story in the June issue of Tiger Beat where Bobby smoked his first cigarette and it turned him off so much that he's never had another!

Elvis Bobby

**Q.** One of my friends said that Elvis and his wife were going to have another baby. If so, how many children will that make?

**A.** Priscilla Presley is not expecting another child at this time. They have one daughter.

**Q.** Could you please write in your magazine where I can send to get a photo of Bobby Sherman?

**A.** We sure can! Just turn to page 41 and you can order one of four fabulous shots of Bobby direct from Tiger Beat!

**Q.** There is a rumor going around our school that Mike Jackson, the lead singer of the Jackson Five, died of an overdose of dope. The rumor also says that his brothers gave him the overdose because they were jealous of his publicity. Is it true?

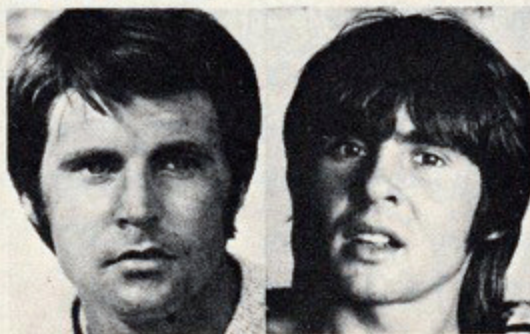

**A.** We've had other letters like this, one asking if he died in a car accident. ALL of them are untrue, and ALL of the members of the group are alive and well, and there is no jealousy within the group!

**Q.** I recently read in a magazine that Bobby Sherman and Rick Nelson are cousins. Is this true?

**A.** Don't know where that magazine got its information, but Bobby tells us he and Rick Nelson aren't related.

**Q.** Could you please tell me David Jones middle name?

**A.** It's Thomas.

Rick David

**Q.** Is it true that Jack Wild is leaving "Pufnstuf" next season? Please say it isn't true. I know I can trust you!

**A.** You'll be seeing Jack Wild on "Pufnstuf" next season, but it will be reruns of this year's shows. "Pufnstuf" producers feel there will be a whole new young audience for the show next year, so they felt they didn't need to shoot any new shows. Jack will be working on other projects.

**Q.** I love David Cassidy. I think he's so cute, but I'm dying to know if he has a steady girlfriend. Also, what color are his eyes, hair and how old is he?

**A.** No, David does not have a steady girlfriend. He has hazel eyes, brown hair and he's 20 years old, born April 12, 1950.

David Jack

**Q.** I read in another magazine that darling Jack Wild is going steady with a girl named Lisa. Please tell me if this is true.

**A.** Jack Wild is not going steady with ANY ONE girl. He dates many girls!

**Q.** I am wild about Freddy Weller. Could you please tell me how old he is and where he was born? Thanks!

**A.** Freddy was born Sept. 9, 1947, which makes him 22 years old. He was born in Atlanta, Georgia.

**Q.** Is it true that Mike Cole quit the "Mod Squad"?

**A.** Certainly not. You'll be seeing Michael, Peggy and Clarence next season on the "Mod Squad."

**Q.** Can you please tell me the birthdate of Chad Everett?

**A.** Sure! Chad was born June 11th in South Bend, Indiana.

**Q.** My friend and I were told that Bobby Sherman wears tinted-blue contact lenses. Is this true?

**A.** Nope! Bobby does not wear glasses or corrective lenses OR tinted lenses. Those gorgeous blue eyes are all his own!
