

Q. My girlfriend says that in real life Olivia Hussey and Len Whiting hate each other. I say that they love each other like a brother and sister. Who's right?

A. You are. Although they were "in love" romantically for a while, it was long ago, and now they are very close friends, in a more brother-sister type way.

Q. I've been looking for Jack Wild's record "Some Beautiful" all over and I can't seem to find it anywhere. Can you help?

A. We certainly can! Simply turn to page 34 where you'll find a coupon to send for Jack's record and receive it (right away!) directly from Tiger Beat Magazine. This is an exclusive offer, so don't waste a minute!

Q. I would like to know how old Darby Hinton is.

A. Darby is 12 years old, born August 19, 1957.

Darby Brandon

Q. I've heard rumors going around that Brandon Cruz was killed by a truck. Is this true?

A. Definitely not! He's currently filming shows for next season with Bill Bixby at MGM studios in Culver City.

Q. Is David Cassidy the son of Jack Cassidy? My two girlfriends have a bet. They asked me, but I don't know for sure, so I'm counting on you!

A. Yes, Jack Cassidy is David's father.

Q. I read in another magazine that Kurt Russell is thinking of getting married rather soon. Is this true? If so, who's the lucky girl?

A. No, it's not true.

Kurt Donny

Q. Could you please tell me if Donny of the Osmond Brothers is twelve going on thirteen or thirteen going on fourteen?

A. Donny is 12 and will turn 13 in December.
