

# THE PARTTRIDGE FAMILY CLOSE-UP!

**SUZANNE CROUGH**

*Very quiet and still. Looks hurt if she's corrected for doing something wrong. Pronounces her last name for people (it's pronounced "Crow"). Likes to draw—draws pictures of the cast and crew and makes them into hand puppets.*

**SUSAN DEY**

*Poised and charming but also friendly, quiet and unassuming. Not overly concerned with make-up and hair (unusual with such a pretty girl)—not a "mirror looker." Reads a lot between scenes. Giggles a lot. Is a chain smoker trying to quit.*

**DANNY BONADUCE**

*Has all the typical freckle-faced, red-haired traits—is an unbelievable bundle of energy. Climbs all over the cameras and sets. Talks very fast. Rides his bike at crazy speeds all over the lot. An excellent mimic—can pick up any accent. Seems to eat candy bars all day!*
