Dear Judy,

OK! Jeremy's 9 years old and he was born here in Hollywood, Calif., on May 22, 1961. He's got enormous (I guess you already noticed) blue eyes and blond hair! He loves sports, especially baseball, music and art, flank steak and YOU!

Dear Susan,

My best friend, Janie, has been really going too far with her boyfriend and lately, guys have been calling me like crazy. I don't understand because I've never been too popular. Do you think "Birds of a feather flock together?"

Ellen Y.

Des Moines, Iowa

Dear Ellen,

No, I don't think "Birds of a feather..." but obviously your friends do! Just play it cool, do what you think is right... and everything will work out fine (even if you get fewer dates). Let them know you're not like your friend and they'll like you for what you are. Good luck!

Dear David,

I don't know if you can help me or not, I've never written to a boy about something like this. But here goes. I'm a good student and I go to church and I've never had any problems with my parents until now. Sometimes I go over to my boyfriend's house and his parents go out, leaving us alone. Honest, we're just playing Scrabble or something and nothing happens, but my parents are trying to make me stop seeing my boyfriend because of this!

Leila Warner
Bronx, N.Y.

Dear Leila,

Please, write to me whenever you feel like it, I only hope I can give you some good advice! I think you should promise your parents you won't stay alone in your boyfriend's house when his folks aren't around. If you "are" left there alone, take your boyfriend over to your house! That way your parents will know you're being honest!

Dear Susan,

I say Dave Madden used to be on "Laugh-In" and my sister doesn't agree! Who's right?

Doreen Gray
Boston, Mass.

Dear Doreen,
You are!

Dear David,

..I've heard rumors around my school that "The Partridge Family" has its own magazine! Is this true? If so, where can I get it?

Ann Powell
Memphis, Tenn.

Dear Ann,

This is one rumor you can believe! We do have our own magazine and it's put out by Tiger Beat! In fact, it's called Tiger Beat's Official Partridge Family Magazine and it's the only one of its kind! It's official, because it's endorsed by Screen Gems and by everyone connected with the show! You can get it on any newsstand today! It's on Sale now! But if you can't find it, you can order it directly through Tiger Beat, see page 25.

DO YOU HAVE A QUESTION FOR SUSAN OR ME?

If so, drop us a line at:
