

FAVE'S WISHING WELL

A monthly feature that is the most exciting thing that's ever happened to some of you lucky readers!

Four lucky FaVE readers are walking on air this month! They wished so hard into our Wishing Well that FaVE was compelled by forces in the universe to make their wishes come true!

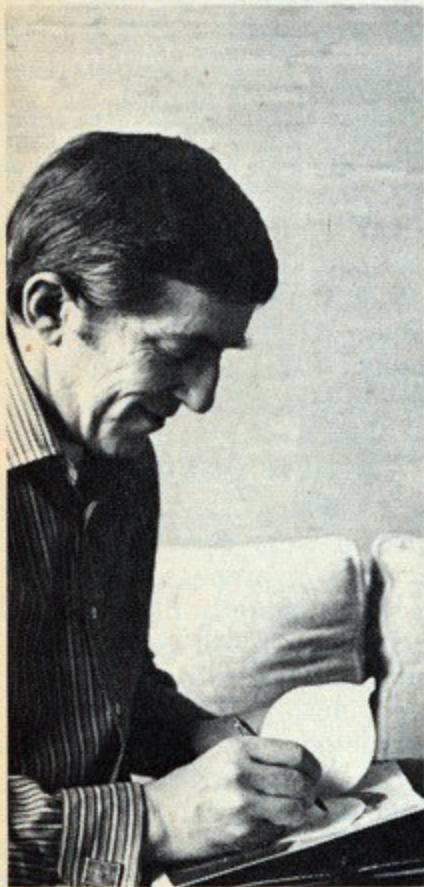

Read below and see if you were one of the four! If so, your wish is on its way to YOU. If not, keep in mind that next month brings another chance!

If you haven't wished into FaVE's Wishing Well yet—do it now! Why wait any

longer to make your dream come true! Simply write a short note telling us your special wish. Go ahead and use your imagination—almost anything is possible if you wish hard enough and believe too! There's magic in believing and our FaVE winners this month proved it! Be sure to write your fave's name on the back of the envelope and mail your letter to:

Be sure to get every issue of FaVE so you can find out if you have wished hard enough! If you have—you'll be seeing YOUR name in FaVE and your wish will be on its way!

WENDY ZAHN, of Mayville, Wisconsin just simply adores JONATHAN FRID. "He's the best thing that ever came into my life!" she wrote to Wishing Well! Jon wants her to know that he adores her, too, and he's sending her a personally autographed copy of his very own "Dark Shadows" script to prove it! Hope we made you a very happy girl!

"What I really want is something I can look at and cherish and say, that belonged to my Paul!" These were the words MICHELLE STELMACH of Dudley, Massachusetts wrote to Wishing Well. Paul Who? Why Paul Cowill, of course and when he read her request he dashed upstairs and selected his favorite statue from his collection!

DAVID CASSIDY stopped by for a friendly chat the day we received a dreamy request from ANDREA WILLIAMS of Benton Harbor, Michigan. David called her person-to-person and talked for a while! And just because he enjoyed their little talk so much he decided to send Andrea her own subscription to FaVE and a personally autographed pix!

Here at wishing Well we receive many, many requests, some fancy, some plain, some long, some short! Sometimes the nicest things come in tiny envelopes, like the letter we received from THERESA DAVIS of Chattanooga, Tennessee. In just two lines she asked with a thank you for one of Sajid's LPs. She got it!
