hopes to return before the snow melts. With the great success of KURT's movie "The Computer Wore Tennis Shoes," KURT will be doing two more movies for Disney. The first, "The Rating Game," will begin production just before summer!

Some other stars making guest appearances that you'll want to look for—ZOOEY HALL did an episode on "Bracken's World" and "Here Come The Brides." DAVID CASSIDY did a guest spot on "The Mod Squad." DAVID, by the way, begins work on his new TV series "The Partridge Family" this month. Watch for its debut on ABC-TV next fall!

SUSAN CHRIS

SUSAN TOLSKY is up for a part in a Walt Disney movie, but it's not definite at press time. Her darling actor boyfriend CHRIS STONE will be seen next fall on the CBS series "The Interns," and he's also in the soon-to-be-released movie "The Grasshopper." Between jobs, SUSAN is working on a cookbook of her grandmother's (who was Russian) recipes. The working title is "The Cookbook That My Grandmother Should Have Written."

You may be hearing from KURT RUSSELL on record before too long! He's made an audition tape and it's being considered by several record companies. Between pictures, KURT took off on a hunting and ski-ing trip to Maine. He loved every minute of it and

CLARENCE & PEGGY

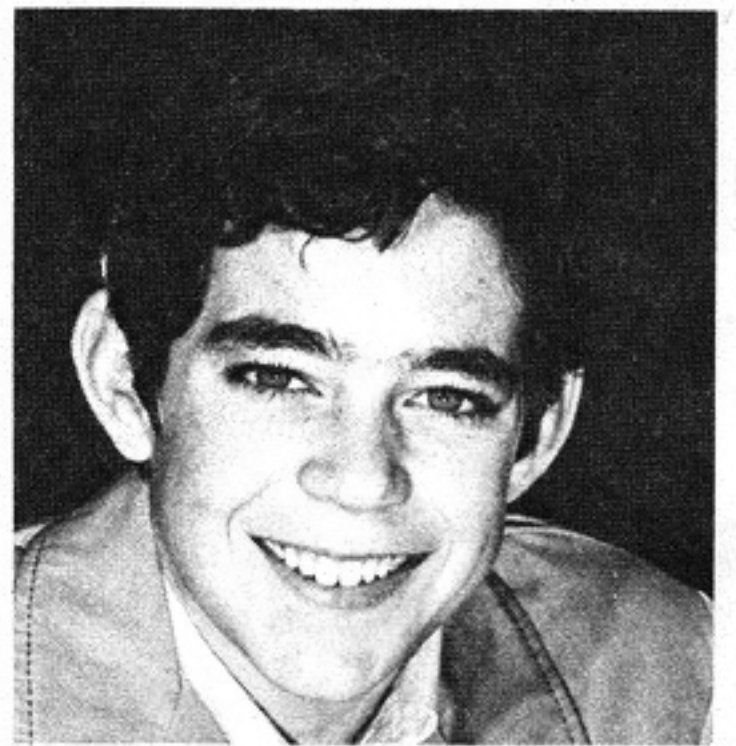

Don't tell anyone, but... when it came time to renew their "Mod Squad" contracts, MICHAEL COLE signed right up, while CLARENCE and PEGGY held out for more money for a third season on TV. It's hard to believe, but true nonetheless, PEGGY was asking for \$10,000 PER WEEK, and since they film the shows in 26 weeks, that means she wanted \$260,000 for the third season. It wasn't disclosed what amount CLARENCE was asking! I think PEGGY is perfect on the show, but is she worth that much? Most successful TV actors get tops—\$5,000 per week. Until things were settled, PEGGY went into seclusion and even turned down an interview with Life magazine who wanted to do a whole spread on PEGGY alone! I hope things have been settled by the time you read this, as we go to press, MICHAEL is the only definite returning "Mod Squad" member!

ZOOEY DAVID

KAREN

KAREN VALENTINE will be 23 years old on the 25th of May, but to me she doesn't look a day over 19! I guess it's that bubbly smile she's always wearing. On her hiatus from "Room 222" KAREN appeared on several daytime quiz shows, but spent the majority of her time just being Mrs. Carl B. McLaughlin Jr. She loves to cook and work in the garden and when she's filming "Room 222" there's not too much time for that!

BARRY

BARRY WILLIAMS wasted no time on his filming break from "The Brady Bunch" in February and March. He did a guest spot on "Mission Impossible," "Marcus Welby, M.D." and also a commercial. BARRY told me that he's growing and putting on weight, so he's had to buy new clothes. Don't panic. He's gaining weight in proportion to his height, so he's not getting fat! In between guest appearances, he's been playing basketball, baseball and going horseback riding. He's just recently taken up the guitar and is working at it seriously!
