

# 25 Faves Reveal:

There's a saying that goes "Alone we find solitude, together we find love!" There are many beautiful things waiting to be discovered in this world, but sometimes it takes a boy and a girl together to fully enjoy a wonderful experience, situation, or even a special place! Often there are certain things that just don't seem the same when you're alone. Many of your favorite stars feel the same way and 25 of them would like YOU to know about some of the things they think are better to do together!
