

each week... all **ROBERT LIPTON** fans will be able to see him on several programs this season. He's scheduled to guest on "The Name of the Game" in early October, "Marcus Welby" and "Medical Center." Seems like "Welby" and "Medical Center" have given many young stars great opportunities, among them **DAVID CASSIDY**, **FRANK WEBB**, and **BARRY WILLIAMS**... **FRANK WEBB**, by the way, is going to be on a really interesting "Mission Impossible" segment where he plays a young lad back from Vietnam... Other stars you might want to catch on the tube are **THE JACKSON 5** who will guest on "The Jim Nabors' Hour" and **ROBERT BROWN**, from "Here Come the Brides," will be on a segment of "Bewitched" in which he plays a statue that comes to life... **HENRY**

makes an appearance as himself in one of the shows. **SHIRLEY JONES**, **DAVE MADDEN** and **DAVID CASSIDY** have been set for two, two week tours to promote the show. **DAVID** says he hopes to tour himself again around Christmas. He's a great singer, so look for him when he comes through your town... A surprise visitor on "The Courtship of Eddie's Father" set was the King himself, **ELVIS PRESLEY**. **ELVIS** says he's one of the show's biggest fan, but even so, he refused to do a guest shot... **THE HAGER TWINS** will be seen more on "Hee Haw" this fall. They're pulling in so much mail they deserve more credit... Did

you know that **PETER GRAVES** and **JAMES ARNESS** are really true life brothers? Their real last name is **AURNES**... A few weeks ago, **ROLLING STONE MICK JAGGER** made one of his rare appearances in public. He was at London's Revolution Club watching **TERRY REID**'s act. **JAGGER** was wearing a black double-breasted blazer, slacks and a neat, light coloured shirt. And his hair was maybe half-an-inch below his ears. Rebellion really has turned the full cycle. Now that the majority of young guys wear their

hair very long and wear clothes that are really casual, trust **JAGGER**—the all time rebel—to smarten up. Once again, he has broken completely with all the standards of conformity. Rebellion has always been **JAGGER**'s trademark. **MICK**, probably the most talked about character to ever come into the popular music scene, leads again... **DAVID CASSIDY** says he's never been in a Bob's Big Boy Restaurant yet, but he hopes to make it. Bob's are really big here. Lately he's been eating lunch the same place **BOBBY SHERMAN** did while filming "Brides." That's right, The Yankee Pedler. He even has his car washed

**DENIS GUNN**—watch for him on TV!

**BECKMAN**, also from "Brides" will do a show for the new series, "Nancy"... "The Partridge Family" filmed all through the latter part of the summer so they're pretty well up to schedule. **DICK CLARK**
