ing them except the dog, Simone, who had so many during rehearsals, he wouldn't eat one during the actual filming, until his trainer coaxed him into it. **SIMONE** is really a male, same as **LASSIE**... Sensational Soul Singer **STEVIE WONDER** has announced his engagement to wed songstress **SYREETA WRIGHT**. No date has been set as yet, but it is expected to take place before the end of the year. **STEVIE**, who became a smash entertainer when he was just eleven is now a handsome young man of 20 and still a smash entertainer... **BLOOD, SWEAT AND TEARS** were selected recently by the U.S. State Department to make a 27 day concert tour of Yugoslavia, Romania and Poland. The aim of the concerts is to promote a more active and working relationship among young people in the three nations. The state department felt the BS&T's music bridges all generations... Folksinger **DONOVAN** has formed a group called "The **OPEN ROAD**". The group will accompany Donovan on bass, guitars and drums and also do some vocals... Spent some time with the **OSMOND BROTHERS** during rehearsals for their Caesar's Palace opening in Las Vegas with **NANCY SINATRA**. The boys, as usual were their wonderful selves, always delightful and obliging.

**THE CARPENTERS**, a brother and sister act, sing "Close To You."

**NANCY**, however, refused to pose for any pictures and to let anyone sit in on her portions of the rehearsals. No wonder, the poor dear looked very tired and worn. Still, that's no excuse for inhospitability... The **BEATLES** and **TOM JONES** have scooped major awards in one of America's most important and influential polls, the Record World 1970 D-J Poll. This reflects the opinions of hundreds of leading disc-jockeys throughout the U.S., based upon their own personal preferences and the thousands of requests they receive from listeners. The three top records were "Sugar Sugar," "Something / Come Together," and "Raindrops Keep Fallin' on My Head." Names in the top ratings were **OLIVER**, **DIONNE WARWICK**, **BEATLES**, **JACKSON 5** and **SLY AND THE FAMILY STONE**. The two top albums were the **BEATLES**' "Abbey Road" and "Led Zeppelin II"... All **RAIDER** fans in Vancouver, B.C. will be glad to know that they will be appearing at the Cave October 1 through the 10th. They will be at Illinois University in Norma on the last day of October... **FRANK WEBB** wants to thank all his great and groovy fans for the wonderful letters they've been writing. **FRANK**'s pretty good at keeping up with his mail and wants everyone to know he'll keep

**GRAND FUNK RAILROAD** really rock!

It isn't as big as the first one, but **KURT** still rooms with his three buddies and there's plenty of room for their horses in the back... **DAVID CASSIDY** says he had a real groovy time in Vancouver with his "Dating Game" date. They water skied, went horseback riding and dined and danced the weekend away... Shame, Shame on the young Hollywood star who keeps denying not only marriage rumors, but that he's even got a steady.
