

David Cassidy on Bandstand!

C'mon along as FaVE takes you behind the scenes for David's smash guest appearance on Bandstand!

Color TV requires darker skin tones.

The first thing that happens when David arrives is a trip to the makeup room.

David talks to the crew as he waits.

With producer John Stepan and Dick.

Dick's interview starts off the show.

A look at the audience brings a grin.

"I Think I Love You!" sings David ... everyone watching loved him right back!
