

Here are just
some of the new shows
you'll be
watching every week!

SPECIAL

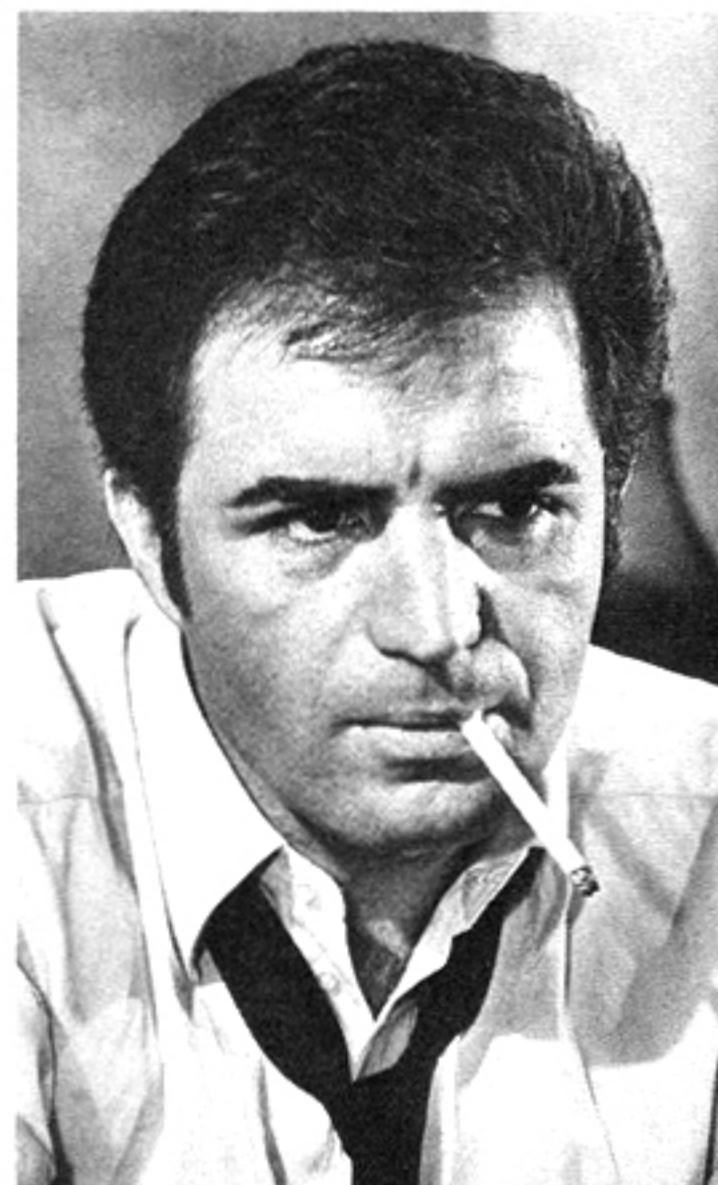

THE PARTRIDGE FAMILY is TV's first family situation comedy with music. It's the story of an ordinary family, The Partridges, who make a record in their garage and instantly become the hottest act in history. The series

will show them touring, living, having fun and performing at least one song every week.
stars: Shirley Jones, David Cassidy, Susan Day, Danny Bonaduce, Jeremy Gelbwaks, Suzanne Crough and Dave Madden

MATT LINCOLN (a spin-off of the TV movie "Dial Hotline") tells the story of a psychiatrist and his relationship with young, troubled people.

stars: Vince Edwards

THE IMMORTAL is the story of a man whose blood contains anti-bodies which make him immune to all diseases and to the aging process. Throughout the series, he will be on the run from those who want his blood and the resulting immortality.

stars: Christopher George
