

what's coming...

Susan Dey, Shirley Jones, Jeremy Gelbwaks, Suzanne Crough, David Cassidy, Danny Bonaduce

BAREFOOT IN THE PARK

An adaptation of a successful Broadway show, this series will center around a young married couple who live in a leaky, top-floor apartment in New York City and the problems they face.

Tracy Reed, Scoey Mitchell

THE DANNY THOMAS SHOW

"Make Room for Daddy" returns with the original cast (a little older) plus a wife and young son for Rusty.

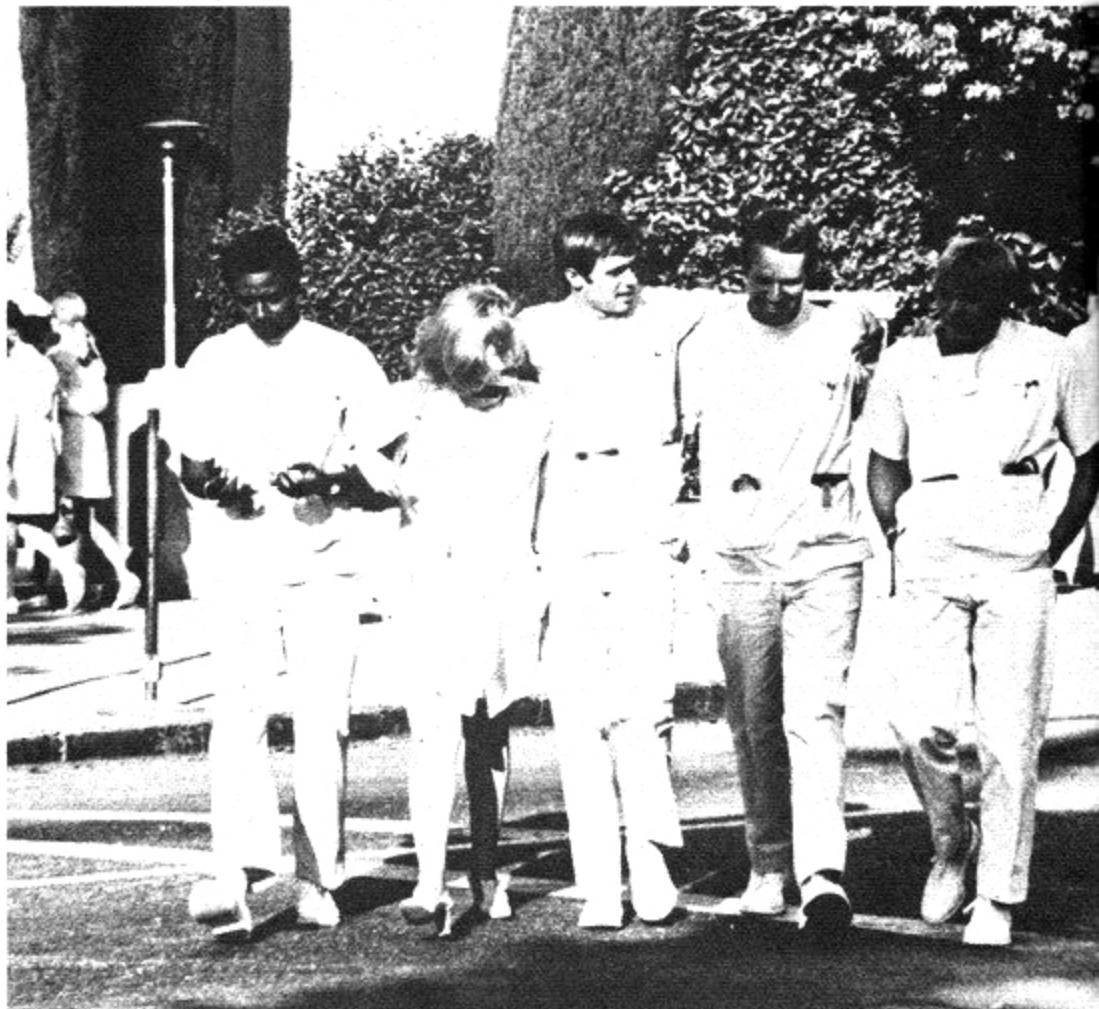

Jana Taylor, Danny Thomas, Rusty Hamer

THE PARTRIDGE FAMILY

What happens when an ordinary family makes a record, gets discovered and becomes a famous rock act? You'll find out when you follow the Partridges around the country. Each week, too, you'll be able to hear them perform a new song.

Hal Frederick, Sandra Smith, Stephen Brooks, Mike Farrell, Christopher Stone

THE INTERNS

This is the story of five young people—who happen to be interns in a large hospital. Not a medical drama, the action centers on the people themselves and their reaction to the world they live in.
