Rick Ely took his vacation early.

THINGS YOU MAY NOT HAVE HEARD YET: SUSAN TOLSKY (Bid-die on "Brides") has signed for her first movie role. She'll play a kooky secretary in "Pretty Maids All In A Row," starring ROCK HUDSON... On his promotional trip for "The Brady Bunch" BARRY WILLIAMS traveled to Columbus, Ohio, Chicago, Milwaukee, Sioux City and Des Moines during August... JON PROVOST, who is currently attending college in Santa Rosa, Calif., recently welcomed his parents back from a trip to Russia. They're members of a travel club and take trips to different parts of the globe each year. They said they liked Russia and that the food was great, but very fattening!...

BILL BIXBY and BRANDON CRUZ recorded their first record recently, a longer version of their show's theme "My Best Friend," written by NILSSON. The flip side is a talking questions and answer number like the opening and closing of "Eddie's Father," called "Daddy, What If?..." During his filming break, BRANDON joined his family in a 3,000 mile trip in the

family Volkswagen camper... Watch for groovy photos of CHER with her daughter CHASTITY in the November issue of "Ladies Home Journal"... Following in the OSMONDS' footsteps (sort of) will be PAT BOONE'S daugh-

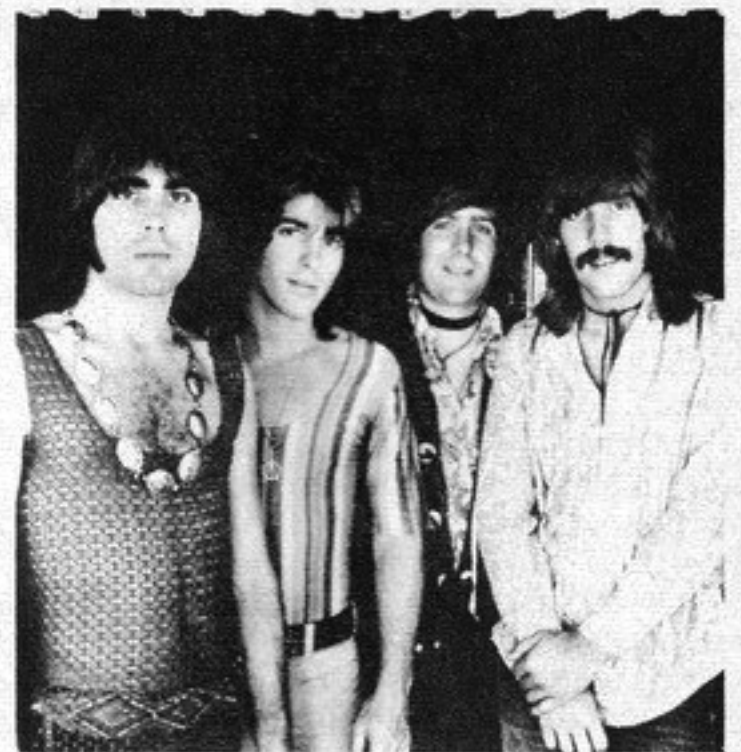

ters CHERRY, LINDY, DEBBY and LAURY who will be part of their dad's act when he appears in Manila, Tokyo, Singapore, Hong Kong and Thailand... Didjknow that the OSMONDS are good friends with PAT'S daughters?... Since last month, DINO, DESI and BILLY have signed a new Warner Brothers Recording contract, so watch for a new single and album soon featuring their new, mature sound!...

DAVID CASSIDY is so dreamy looking, you'd expect him to be out with a different beautiful girl each night, but poor DAVID is lucky if he gets one free night to himself. Lately he's spent almost every week night at the recording studio working on The Partridge Family's second album. The first one is already in the can and you'll be able to buy that one soon. Since DAVID sings lead on almost every song, he's needed at the studio constantly. Still, DAVID doesn't complain, because he's just so excited about his music. You will be too when you hear it!

David Cassidy has been recording.

Like DAVID, RICK ELY has been super-busy recording his first single record on the RCA label. RICK has always been interested in music, but this is his first professional stab at recording, and from what I've heard it's going to be a smashing start! Before he began filming "The Young Rebels," RICK realized that he'd be very busy when he began working, so he took a full week and packed into a remote area to camp and hike with a friend of his! They had a fantastic time and really rested in preparation for the hard work schedule ahead. Very smart! By the way, RICK'S record should be out by the time you read this, so keep your eyes open at your local record store! It'll be worth it!

Before I close this month, I just want to give you a sneak preview of some of the brand new and exciting features we'll be adding to Tiger Beat next month... we'll have a new Editor's page where I'll be giving you the inside story on how we gathered the stories and photos in that particular issue. So often, there are very amusing or interesting stories that happen while we're busy at work and I wanted to share those with you. We'll also have a feature written by our readers, so you'll be able to contribute to Tiger Beat even more than you do now. I'm really excited about all the changes and I know you will be too!
