

# PRESENTING: THE WINNERS OF FaVE'S

Dreams came true for three lucky girls when FaVE flew them out to Hollywood for a magic week they'll never forget! Debbie Dewey, 15 from Santa Rosa, California, Peggy Dagucon, 13, from Albuquerque, New Mexico, and Linda Mazgaj, 12, from Buffalo, New York had the time of their lives! They wanted to share their magic trip with you, so let them tell you about it in their own words!

"A DREAM COME TRUE!" is the way Debbie (far left below) described winning FaVE's contest. "David Cassidy was so nice to show us around the set of 'The Partridge Family!'" added Linda (right). Peggy's word for David: "Wonderful!"

ANOTHER favorite with our winners was Dante Bonaduce, David's brother on the show.
