

"HE'S SO PERFECT that it's hard to believe he really exists!" is Debbie's enthusiastic comment about Bobby. "He's just as sweet and kind as everyone says!" Peggy agreed. Meeting him was definitely a high point of their trip!

ALL OF the girls did a flip over Bobby's new car, a dark green Porsche.

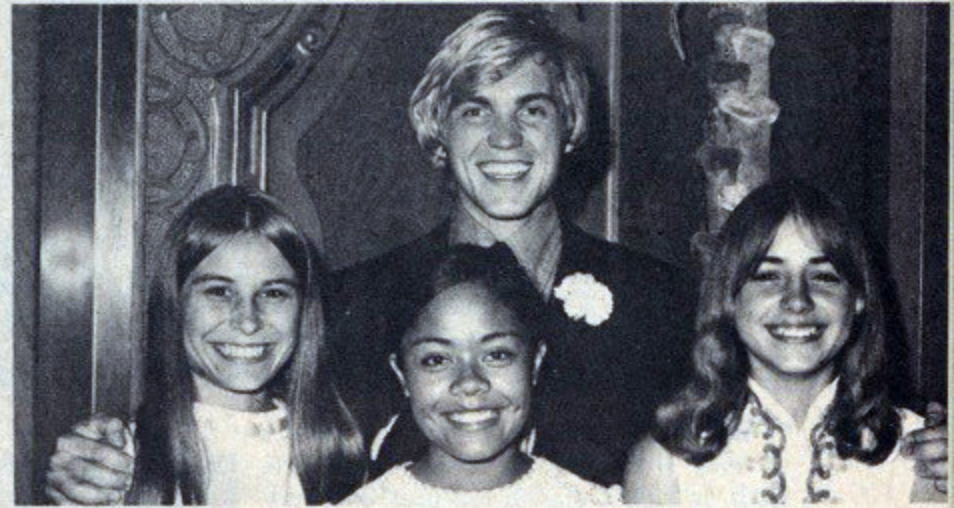

"THE PICTURES of all of us with Bobby are something I'll treasure forever!" said Linda. "In this one he's wearing a yarn necklace I made for him!" Bobby had a long chat with them, and told them to say hello to Bridget for him.

A BIG KISS was Frank Webb's hello to the winners, who loved his jokes!

LUNCHING WITH Bridget at the famous Luau in Beverly Hills was fun for everyone. "She's so sweet and easy to talk to," said Peggy, "just like a real sister!"

"THE DINNER we had with Frank Webb was at a gorgeous place with a huge view of Los Angeles," said Debbie, "but he's so cute we hardly looked out at all!"

KURT RUSSELL took the girls on a tour of Disney Studios. "He's so handsome," confided Linda, "and he was shy at first like we were!"

PEGGY'S DESCRIPTION of Kurt was, "He must be one of the nicest people in the world! He was busy filming a new movie, but he stopped work and talked to us a long time!"

DISNEYLAND was the last stop for girls, who by this time became close friends!
