

MEET SUSAN DEY!

You'll be seeing her lovely face weekly on the television program that's bound to be your very favorite this season—"The Partridge Family." Her name is Susan Dey, and here's your chance to meet her now!

Almost the very first thing you notice about Susan Dey is her beautiful eyes! Her long dainty eyelashes fall gracefully over the blue eyes that sparkle with dancing lights whenever she speaks!

And those beautiful eyelashes are all her own, too! Susan admits that she did

try using false lashes for a while, but somehow she just didn't feel real in them so she never wears them anymore!

In fact, Susan goes for a total natural look and the only makeup she wears is a light eye shadow with mascara—and it comes off looking just

dreamy! "I think the more natural a woman looks, the more beautiful she is," Susan says.

♥ DOESN'T MISS SWEETS

Standing a tall and slender 5'7", Susan says her weight is down to about 100 pounds! Looking at her you'd never guess that she once had to be on a real diet, eating mostly all low-calorie and dietetic foods!

"Now I don't have to watch my weight anymore, though," Susan admits. "I've gotten used to not eating things like ice cream and cookies!"

Born in Pekin, Illinois on December 10, 1952, Susan became involved in the show business world because she didn't have anything to do one summer! She was 15 years old and found it absolutely impossible to get a job!

"Then my Mom sent my picture in to a modeling agency and they called me for an interview! After that I did lots of modeling and some commercials which finally led to the screen test with Screen Gems for "The Partridge Family."

Susan says the only background for acting she ever had was a drama class in high school! So, after filming "The Partridge Family" pilot, she enrolled for a course at a dramatic studio in New York.

TALKING WITH DAVID BETWEEN scenes on "The Partridge Family" set is always a pleasure for Susan. She and David have become warm friends.
