Check your answers here: If you answered yes to: 3, 9, 10, 14, 17, 18, 20, 21, 22, 23, 24, 25, you're just average about your fave. The answers to questions 1, 2, 4, 5, 6, 7, 8, 11, 12, 13, 15, 16, 19, 27, 29, 30 should be NO, unless you're going a bit overboard. But there's no need for alarm. For instance, if you admitted that you're jealous—you're normal. Practically everyone is jealous to some degree. If too many of your answers landed in the overboard category, you may be getting all mixed up about your fave—and he'd never want that!
