TOUR HOLLYWOOD!!

ANOTHER EXCITING MOMENT came when the girls got to tour the Seattle set at the Columbia Ranch. Here they check out Lottie's saloon!

A TOUR OF SEATTLE WOULDN'T BE COMPLETE unless you go inside the Brides' dormitory, as Linda, Debbie and Peggy did! They were terribly excited about seeing Seattle, but sorry that it wouldn't be on TV anymore.

HERE WITH DAVE MADDEN AND DAVID CASSIDY, the girls are taken on a tour of the new "Partridge Family Set." David also showed the girls the Partridge Family tour bus and introduced them to his co-stars. They all agreed that David was super-nice and can't wait to see the show!

IN FRONT OF THE PARTRIDGE FAMILY BUS, David poses with the girls so they will have a photo for their scrapbooks.

DINNER WITH FRANK WEBB was a dress-up, special evening at Hollywood's 9000 Restaurant high above the city. All the girls loved Frank's sense of humor and couldn't stop looking at his dreamy eyes all through dinner!

FRANK WEBB LOVES TO EAT IN FINE RESTAURANTS, so he ordered for each of the girls. During their steak dinner, Frank told them about his interest in music and his upcoming work in a brand new movie!
