

Tiger Beat Q & A

Q. I am really hooked on the show "The Brady Bunch." I read in one magazine that the show will be off the air next season! Is this true? Also, I would like an address to write to so the "Brady Bunch" cast would be sure to receive my letter. Thanks!

A. Don't know where you read such a thing, but "Brady Bunch" WILL be on TV next season, on ABC-TV Friday nights at 7:30. You can write to the Brady gang c/o Paramount Studios, 780 N. Gower, Hollywood, California. Be sure to put a Tiger Beat "Open Me First" sticker on your envelope for sure-fire attention!

Bobby

Q. Is Bobby Sherman left or right handed? My mother says his signature on pin-ups looks left-handed.

A. No, Bobby is right handed.

Q. Do you spell Alan Osmond's name Alan or Allen? Also, do you spell Donny Osmond's name Donny or Donnie?

A. Alan Osmond's name is spelled with one l and no e, as you see it here. Donny is spelled with a y, not ie.

Donny

Jack

Q. I would like a picture of Jack Wild's family. Where can I find one?

A. That's easy enough. Tiger Beat printed an exclusive photo of Jack with both his parents in the May issue of Tiger Beat.

Q. What color are Mark Lester's eyes? In color pictures his eyes are always brown and in write-ups they say his eyes are blue. Which is correct?

A. Mark's eyes are brown.

Q. I have a question to ask: in the March issue of Tiger Beat in Meowwww by Ann Moses there was a picture of Bobby Sherman's family taken at Bobby's reception. Is Bobby married? If so, when.

A. No, Bobby is not married. The reception to which the caption referred was a reception Bobby held for some close friends before his concert at the Anaheim Convention Center in December.

Q. My friend and I have some questions about Mark Lindsay—does Mark smoke? Has he considered growing a beard again?

A. No, Mark does not smoke. Growing a beard for a short time satisfied his "free spirit" and he's content to be clean shaven for a while.

Q. Is it true that Olivia Hussey and Dino Martin Jr. are married or are planning to get married?

A. No, it's not true. Olivia is too happy "playing the field," since her field is full of gorgeous admirers like Christopher Jones, Dino Martin, and Robert Lipton!

Q. Was Marlo Thomas ever in Playboy Magazine? Somebody told me she had on a bikini and then took off the top!

A. No, Marlo has never appeared in Playboy Magazine.

Dino

David

Q. Would you please tell me when David Cassidy was born? Also, how tall is he?

A. David was born April 12, 1950, which makes him 20 years old. He stands 5'8" tall.

Q. Could you please tell me if Jack Wild wears a wig. I say he does and my girlfriend says he doesn't. Who's right?

A. Your girlfriend.

Q. Do Mike Nesmith and Peter Tork have a band of their own?

A. They each have a band of their own, they don't have one together. Mike is now recording for RCA Victor records with his group The First National Band and Peter is working with his group called "Peter Tork and/or Release."

Q. Could you tell me how many times Elvis has been married?

A. Sure, just once to his present wife, Priscilla.

Q. Oh! I hope this isn't true! A boy in my class at school said that he heard in the news that Peggy Lipton died by marijuana! Is this true, or just another one of those terrible rumors!

A. It's definitely NOT true, so rest easy.

Peggy

David & Leslie

Q. In your June issue, under "Bits & Pieces" you had a picture of Davy Jones from a television special called "Presenting." With him is "dancer Leslie Evans." I would like to know if this is the same Leslie Evans who was once one of the Action Kids on "Where The Action Is"?

A. You're right, it's the same girl. By the way, we've had other questions asking WHEN "Presenting..." would be aired. Although several shows were filmed here in Hollywood, starring Billy Joe Royal, The Grassroots and David Jones, as yet they have not been scheduled for any airdate. Keep your fingers crossed that you'll be seeing them sometime this fall.

Q. My question is: Is Tommy Rome married by any chance?

A. Yes, Tommy is married and his wife's name is Anne.

Q. I have a girlfriend who told me Bridget Hanley is leaving "Here Come The Brides" to spend more time with her baby girl. Is this true? Did Bridget have a baby girl?

A. Bridget left "Brides" because the show was cancelled. She does not have a baby—boy or girl.
