

# All About David

Continued from Page 27

**OFF** — Girls who act lifeless and uninterested in life and don't have any sense of humor!

**ON** — Girls who wear whatever kind of clothes they dig and feel comfortable in whether or not it's in style!

**OFF** — Sunglasses when I wear them. On anyone else they're groovy.

**ON** — A drink I invented myself that's made of a little lemon, some water and a dash of Lipton's tea!

**OFF** — People who are either super liberal or super conservative.

**ON** — Most real Italian food I've ever tasted, especially pizzas!

**OFF** — People who take advantage of someone else whether it's their position, their name or their money!

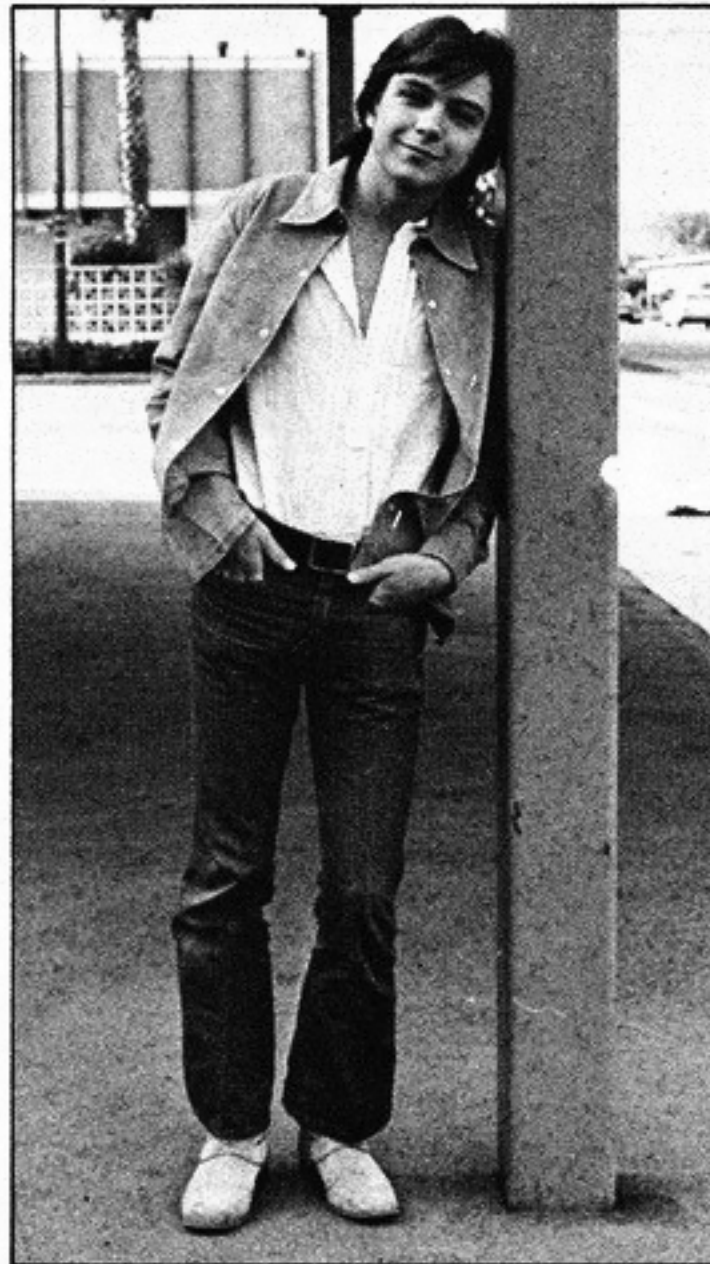

**ON** — Quiet places where I can just be alone or with one special person.

**OFF** — Lima beans, rice pudding and pickles and ice cream eaten together!

**ON** — Going out to see a really good film or a play and then to a quiet dinner afterwards!

**OFF** — Clothes that make you look like someone you're not.

**ON** — Screaming Yellow Zonkers, Life cereal and most sea foods, especially lob-

ster, crab and Swanson fish sticks!

**OFF** — Clackers.

**ON** — Living just above a city that I can visit when I want too.

**OFF** — Ego-maniacs who think of themselves first, irregardless of anybody or anything else!

**ON** — Intelligent girls who like to have lots of un.

**OFF** — When people write or say things about me that aren't true!

**ON** — Girls who keep their hair shiny and clean all the time.

**OFF** — Name droppers!

**ON** — Candles everywhere. I love the atmosphere that they create when they flicker and cast dancing shadows on the wall.

**OFF** — Most parties. I like to go home to my house and turn up the stereo with a few friends, but I don't like big crowded gatherings.

**ON** — Just staying in bed all day when I have a day off.

**OFF** — The fact that I just can't seem to grow a beard or a moustache!

**ON** — The wooden bead choker a girl once gave to me. I like chokers and wear them all the time.
