

# DAVID VANISHES!

## WHERE IS HE?

## HAVE YOU SEEN HIM?!

David Cassidy usually spends his weekends at home in California, learning his lines for ABC-TV's *The Partridge Family* or singing up a storm in a nearby recording studio—making super-sounding discs like his million-selling single

*I Think I Love You* or his Bell Records LP *The Partridge Family Album*. However, one weekend not too long ago, David Cassidy just up and vanished from the Hollywood scene! Do you know where he went?? Did you see him??

David flashes a peace sign as well as his beautiful smile — and the crowd officially welcomes him to Cleveland!

One wave of the hand — and countless thousands wave back! David was overwhelmed by the reaction of the crowd.
