### **YOU ARE ALWAYS ON MY MIND**

Song By Tony Romeo

Wake up in the mornin' feelin' alright  
 'til I recall you've gone from my life  
 And I stare like a dummy against the wall  
 Since you've been away oh yes  
 I am up tight

It's a fact of my life  
 I guess I'll try to fight  
 I could be so good for you if I had that right  
 If I had that right  
 You are always on my mind

Have I gotta go thru this old life  
 Day after day and find you there on my mind

I don't understand you at all but I don't care  
 Still a lotta good love in our lives for us to share  
 You might think it's sad but I'm together now  
 Yeah you laugh huh I know it's true — I'm much better now  
 You oughta come on by and see for yourself  
 Just how I'm much better now

You are always on my mind  
 Have I gotta go thru this ol' life  
 Day after day and find you there on my mind

Repeat chorus and fade in

### **I'M HERE — YOU'RE HERE**

Song By Wes Farrell and Gerry Goffin

I'm here you're here  
 I don't care where you been before  
 You're the sweetest thing I ever saw  
 What could you do — what could you say  
 To make me wanna go away

I don't know I never wanted anyone more Hey! Hey!  
 Baby you know if I go it's gonna be a long way home  
 And a pretty thing like you shouldn't spend her time alone  
 No shouldn't spend her time alone  
 And I know that you'll be sorry if I'm gone

Hearts beat — we know what we're sayin'  
 Don't run away  
 Eyes meet — why are we playin'  
 All those games that children play
