

"WHO WOULD GO to a beautiful place like Hawaii without bringing a camera? Not me, that's for sure! Here we are right outside the Sheraton Maui where we stayed.

and Sam is posing for me. Everybody was shooting pix and you'll see more in April's TIGER BEAT, on sale, March 9, including some underwater photos sam took!"

"YOU DIDN'T THINK we could spend all of our time just relaxing did you? As soon as we had rested up from our trip, we went skin diving! Sam and I had just learned how to scuba dive right before we left. Perfect timing!"

"I MANAGED to fit in some tree-climbing and shopping too, but I got postcards written the day I left! For more about my trip, don't forget to pick up April T.B.!"
