

Dear FLIP,

In your February issue I read in *Flipflap* that someone from Glenview, Illinois thought that she was the No. #1 Cassidy Lover. Well, I hate to tell her this, but she's got competition! I'm also a very devoted Cassidy lover! I like him more than Frank Webb or Philippe Forquet, and that's pretty much! I just wanted to make sure that she knows that there are more Cassidy lovers in this world than she realizes, especially me and the people from New Jersey!

Dear FLIP,

I really love David Cassidy. He is adorable. He's great. Even though I've never met him, he sounds like the grooviest guy on earth. I really love his new song, "I Think I Love You." It seems so real to me. I feel as if I've known him all my life. Could you please write more articles about him and put more pin-ups of him in *FLIP*? Wow, I really dig that guy.

Dear FLIP,

You have a nice mag, but not enough on that wonderful, dreamy redhead, Dante Bonaduce. If you want to make me and many more girls happy, please, please put color pics of Dante Bonaduce in your mag.

Dear FLIP,

I just got my February issue of *FLIP* in the mail, and I want to say thanks for printing that great article on Neil Diamond. Neil is a fantastic performer and I hope you continue to print articles and pictures on this great guy. *FLIP* is the first magazine to print a really good article on Neil. Someone said that he was coming here to do a concert. Well, you can bet your blue booties I'll be the first in line to buy a ticket! Please put more on Neil in *FLIP*!

DAVID CASSIDY

Dear FLIP,

I'm sure there are many, many people out there in this ol' world who've adored Len Whiting ever since they saw him in "Romeo and Juliet." I'm one of those people who is just crazy about him. I just want to ask you if you would put something about him, or just a picture, in your magazine. P.S. Please print this. I think other people feel the same exact way, and it won't be very long 'cause it only has 85 words in it.

Dear FLIP,

I was happy to see the Jackson 5 in your magazine, but please do print more about them. They are one of my favorite groups. Thanks!
