

WIN A PHONE CALL FROM DAVID !!

Super! David Cassidy Contest

Join the celebration! The Partridge Family's just received their first Gold Record for **I Think I Love You**, one of the big hits from **The Partridge Family Album** on Bell Records—and the album itself is headed for the Gold LP category, full speed ahead!

"We're all grateful to the people who watch our show and like our record," Dave says—and he wants to thank **you** personally with a three minute, person to person phone call.

If you're the lucky winner of this fab contest, Dave will call you to say hello and fill you in on the Partridge Family's latest news. In addition to the great first prize, five lucky second place winners will each receive a special portrait of David, **personally autographed!**

All you have to do to win is to tell us, in twenty five words or less, why you'd like David to call, then mail your entry to SCREEN SCENE. And be sure to read us next month to see if you're one of the lucky winners! In the meantime, enjoy David and the rest of the Partridge Family on Bell Records!
