DEAR READERS:

I want to thank each and every one of you for your thoughtful letters. I love reading each and every one of them. Time and space make it impossible for me to answer each one personally, but your likes and dislikes and your opinions are given careful consideration here at Tiger Beat. Whenever you have a suggestion, a criticism or just want to sound off about something, drop me a note. I love hearing from you!

Ann Moses,
 Editor

Dear Ann,

I wanted to say that I love entering those groovy contests of yours. Even if a person doesn't win it is still full of fun and excitement. Keep up the contests on Bobby, David and the others.

Peace,
 Bobbi

THANK YOU, PARTRIDGES!

I'd just like to thank David Cassidy and Danny Bonaduce for making this past Thanksgiving the best one yet. They rode in an antique fire engine in our parade and all of them signed autographs, posed for pictures, and talked to fans who waited for two or three hours to see them. They really care about their fans.

Dear Ann,

I just received the book "The Secret of David Cassidy." It's just fabulous! Anybody who loves David should get this book. Thanks so much!

Kimberly Hill

Dear Kimberly,

Thanks for your nice letter. Other David Cassidy fans who would like to hear David "tell it all" should take a look at page 52. Don't miss out!

Dear Ann,

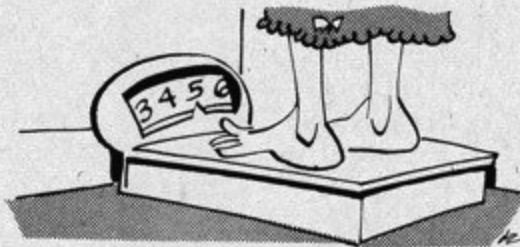

I bought my first copy of TIGER BEAT today and it's too good to be real! Your pictures are so cool! You don't have to label all your pictures like the other mags and your color looks life-like and not as if it's been painted on with a mop! From now on it's TIGER BEAT for me!

GIRLS, TAKE HEED:

Come on all you girls! Don't just sit there reading this and not do anything—what I have to say is important! It's about Bobby. Have you noticed that his records aren't selling as well and he's not that popular anymore? If we act NOW we can stop all of this trouble other people are causing Bobby. If you still love him you'll have to do a little bit of writing to TIGER BEAT and say that you want more of him!

SUPER DAVID DIET

I just lost 30 pounds and I'm still losing! But I owe it all to David Cassidy! I hung his pictures up all over my bedroom and every time I look at him he gives me the inspiration to lose weight!

Love and Peace,
 D.A.

DOUBLE TROUBLE

This may sound crazy, but it's true. I've got this big problem and I don't know what to do about it. All the small kids mistake me for Bobby Sherman and some of them want my autograph. All the teenage girls like me and all the boys dislike me. What can I do? (move—ha!) I hope I come up with an answer soon!

OSMOND POWER

I just had the pleasure of meeting the Osmond Brothers and I decided to write this before the thrill wore off! They were the cutest and sweetest guys I've ever met. I can't wait to see them again!

FRIENDLY ADVICE

This is an answer to the girl who wrote in about giving up boyfriends for stars. I feel she has it all wrong! In school I've got my own boyfriends, but in the seclusion of my room I'm in love with my fave. It's as if I'm like two people—one in reality and the other in a dream. I don't think anyone should give up a boyfriend for pretend romances.

WONDERFUL WORLD

I think I live in a pretty star-populated city. Here's why: Brandon Cruz lives two blocks away from me, Neil Young's cousins live next door to my girlfriend's house, my friend's family knows Led Zeppelin, my neighbor works with John Lennon and Anissa Jones goes to my junior high school. Now if just Three Dog Night, the Grass Roots and David Cassidy lived around here, it would be wonderful!

Dear Ann,

Thank you so much for making it possible to get Susan Dey's Private Journal. I've never seen a book as great as this one before! I'm using all of Susan's advice and I think it's really helping because now I seem to be a little more popular and am no longer as shy around people as I used to be. Please tell Susan I think she's great!

Freda Sands
 Miami Beach, Fla.

Dear Freda,

Your letter is one of many received by girls who followed Susan's advice and said it really helped them—and we're glad! For other interested girls, take a look at page 18 and see what Freda is talking about!
