

It had to happen! The two top faves in the country met when they filmed Bobby's TV pilot on "The Partridge Family." People wondered how they would get along. Was there any jealousy? Would they be friends or enemies? After a week of shooting, both Bobby and David had some things to say about their experiences. Wanna' listen in?

FIRST SCOOP PHOTOS

"I play a songwriter on the show who can't write lyrics. David helps me find a partner who makes my songs a hit."

"It's not Bobby I'm frowning at. It's that sword he's waving around. Bobby and I wear rings on our little fingers."

"Didja know that Susan Dey thinks you're pretty terrific? She told me so at lunch today. So do the other Partridges."

"Thanks, David. It's been fun working with you. When my own show comes on, maybe you'll come and do a guest shot with me."

SHOW ENDS with Bobby kissing Shirley goodbye while the rest of the cast looks on. Bobby was especially good with the young Partridge cast members like Suzanne and Jeremy. Bobby told Jeremy he had a lucky name. At least it was very lucky for Bobby! Watch your local TV sections to find out when this show will be televised.
