

DAVID'S

SECRET TRIP TO HAWAII

as told by his best friend, Sam

David and I had been planning a secret trip for many months and last December our dreams finally came true. We took off for five glorious days on the Hawaiian island of Maui. But just so the trip wouldn't be a secret to YOU, we invited Tiger Beat's Chief Photographer, Kenny Lieu along!

I kept a diary of our whole trip so I could tell you about our every move.

So, just for YOU, here is a day-by-day account of our exciting journey!
