DOESN'T SOMEBODY WANT TO BE WANTED

(Song By Wes Farrell, Jim Cretecos and Mike Appel)

I go downtown and roam around
But every street I walk I find another dead end
I'm on my own but I'm so all alone
I need somebody so I won't have to pretend
I know there's someone just waitin' somewhere
I look around for her but she's just not there

(Chorus)

Oh, doesn't somebody want to be wanted like me
Awhere are you
Doesn't somebody want to be wanted like me
Just like me

I'm running free but I don't want to be
I couldn't take another day like yesterday
I'm dead on my feet from walking the street
I need somebody to help me find my way
I've got to get out of this town
Before I do I'll take a last look around

Repeat chorus

David speaks:
You know, I'm no different from anybody else
I start each day and end each night
But it gets really lonely when you're by yourself
Now where is love and who is love
I gotta know

Repeats chorus twice and fade

YOU ARE ALWAYS ON MY MIND

(Song By Tony Romeo)

Wake up in the mornin' feelin' alright 'till I recall
You've gone from my life
And I stare like a dummy against the wall
Since you've been away, oh, yes,
I am uptight
It's a fact of my life
I guess I'll try to fight
I could be so good for you
If I had that right
If I had that right

(Chorus)

You-Are always on my mind
Have I gotta go through this old life
Day after day and find you there on my mind

Repeat chorus

I don't understand you at all but I don't care
Still a lotta good love in our lives for us to share
You might think it's sad but I'm together now
Yeah, you laugh, huh, I know it's true—I'm much better now
You oughta come on by and see for yourself
Just how
I'm much better now

Repeat chorus twice and fade
