I'M HERE — YOU'RE HERE

(Song By Wes Farrell and Gerry Goffin)

I'm here, you're here I don't care where you been before You're the sweetest thing I ever saw What could you do-what could you say To make me wanna go away I know I know I ever wanted anyone more

Baby you know if I go it's gonna be a long walk home And a pretty thing like you shouldn't spend her time alone No, shouldn't spend her time alone And I know that you'll be sorry if I'm gone

Hearts beat-we know what we're sayin' Don't run away Eyes meet-why are we playin' All those games that children play

Repeat all three verses

(Song By Tony Romeo)

Well, I thought my life was over When she walked right out on me And I watched the world around me just explode That's when I hit the highway That's how I came to be (Morning rider on the road)

Well, I'd wake up in the morning With the sunshine in my eyes The music of the canyon would begin And I soar just like an eagle Through the blue Montana skies Like a glider on the wind

There were times when I was hungry Times I missed a friend But the sleep would hush it over There were times the rain would wake me And all my dreams would end But a dream can't last forever

Na Morning rider on the road Na Morning rider in the sun

There were times when I was happy And being free was fun Like a hobo in the sun There were times when I was lonely And I'd wish the night was done Like an Indian on the run

And all at once I meet you Stop me in my tracks And all at once I lose the urge to roam So the hobo in the sun And the Indian on the run And the rider on the highway found a home

(Repeat last chorus)

I'LL MEET YOU HALFWAY

(Song By Wes Farrell and Gerry Goffin)

Will there come a day When you and I can say We can finally see each other Will there come a time We can find the time To reach out for one another

We've been travelin' in circles Such a long long time Tryin' to say hello, ho And we can just let it ride But you're someone I'd like Like to get to know

I'll meet you halfway That's no better than no way There must be some way To get it together

And if there's some way I know that someday We just might work It out-forever

Repeat all four verses

Repeat first verse

I'll meet you halfway That's better than no way

Repeat three times and fade

THERE'S NO DOUBT ON MY MIND

(Song By Wes Farrell and Gerry Goffin)

There's no doubt in my mind If you're wondering, smile You won't be stayin' very long Ah, but, you're gonna find If ya hang around awhile You will remember me when you're gone (Chorus)

You may not think that My love counts for much But you'll remember me, baby Every single time we touch One of these days You're gonna wish that you were mine Don't be mistaken, baby You won't be wasting any time

There's no need to pretend That we can't forsee, dear Just how long these days will last But I'll tell ya I intend The time you spend with me Won't be forgotten when it's past
