There has never been a contest quite like this one! Anyone can win! You don't have to be pretty... You don't even have to be talented! All you have to do is have a winning smile that the judges think will look good on "The Partridge Family" TV show. And you girls with braces or teeth missing... don't be afraid to enter. The judges may find your smile to be

the very one they're looking for. And besides, your 25 word statement may be the best one received.

Although this isn't a talent search, we're not overlooking the fact that the girl chosen may be a natural for future TV appearances. Who knows? She may look so good on TV that a whole new career will open up for her.

The entire contest is based upon the assumption ABC-TV's "The Partridge Family" show is renewed for the 1971-72 season. Regardless of renewal, a winner will be chosen and flown to Hollywood to personally meet all the stars of "The Partridge Family."
