

EDITOR'S INSIDE STORY!

by Sharon Lee

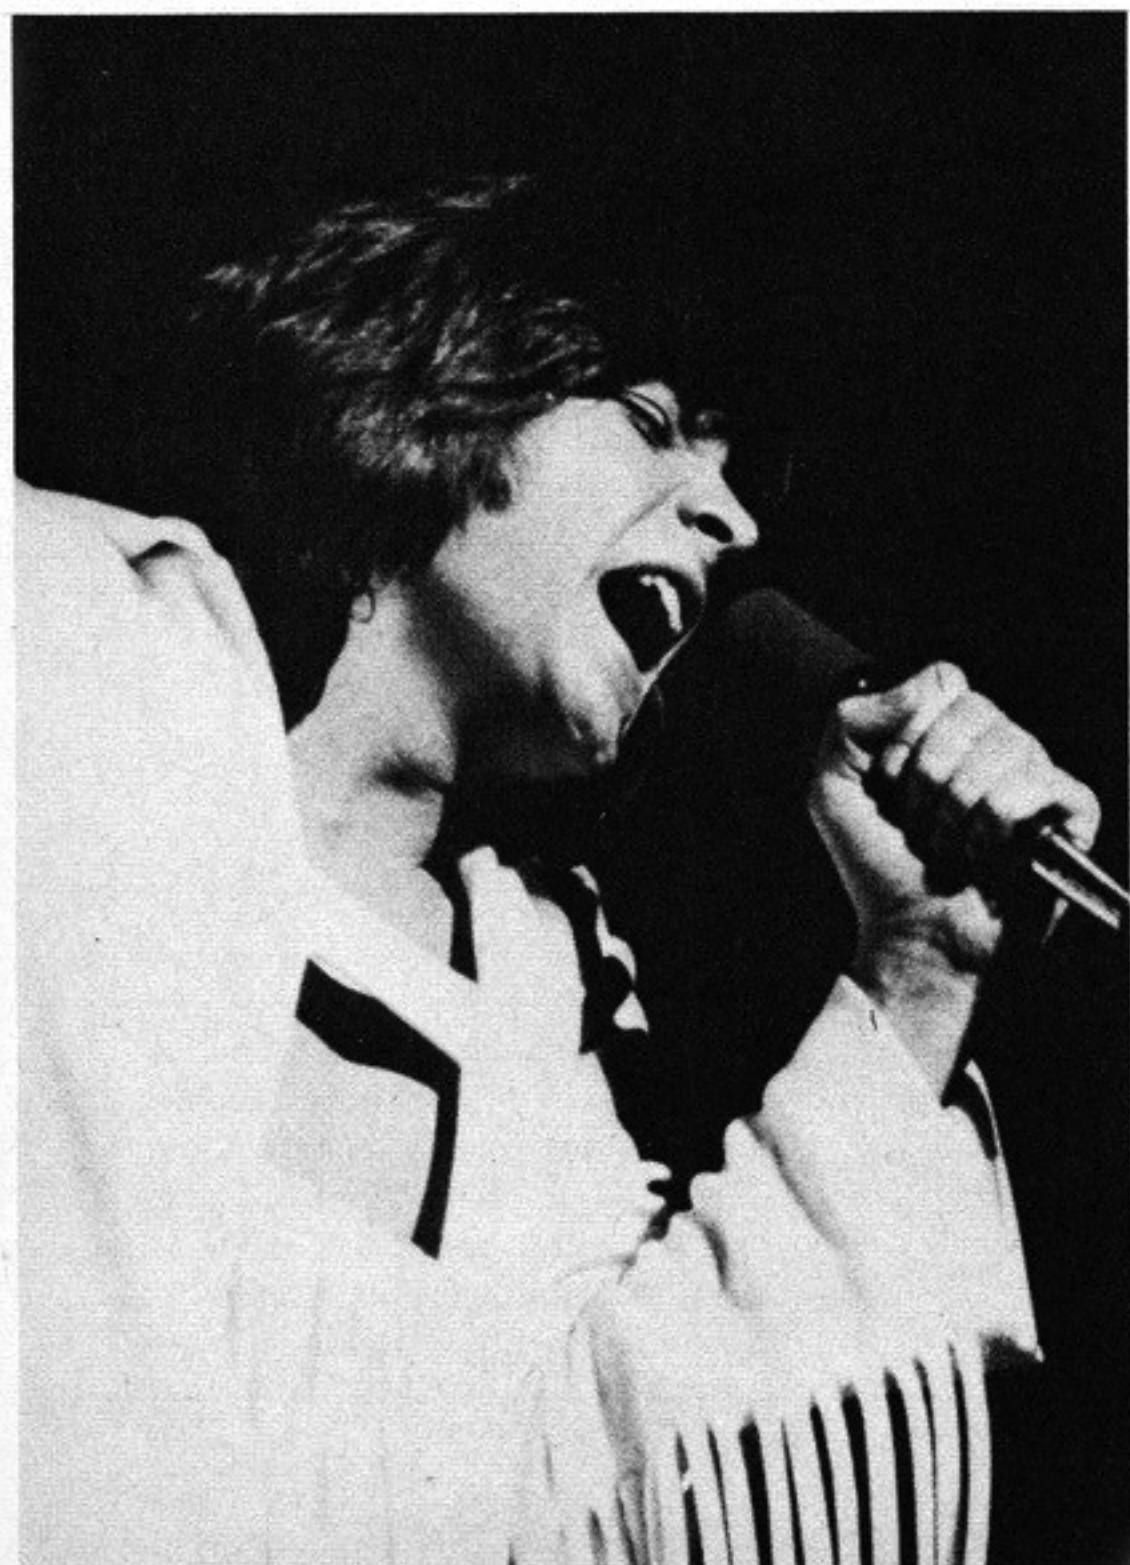

Just wait until I tell you all the exciting things that have happened since our last issue! To top it off, I was busy typing up my interview with Susan Dey (page 28) when the telephone rang! It always rings, but this was a special call!

It was from David and he wanted me to come along on his concert tour to Michigan and Ohio so I could bring back an exclusive story for you! It's just like David to always be thinking of his fans and I was delighted to go.

You've got to go to one of David's concerts to believe it. It's just fantastic and I had a great time! David's friend Sam Hyman came along and so did his newest friend Steve Ross, who is a guitarist in the back up group that traveled with us! If you turn to page 66 you can get in on all the fun.

One of the great things about having offices right here in Hollywood is that this is where everything is happening

DAVID is really a great on-stage performer. Read all about his recent concert tour on pages 66-67 of this issue!

and people like "The Partridge" stars can just drop in or give me a call when I least expect it!

Another nice thing that happened was meeting the new Partridge. Little Jeremy Gelbwaks and his family moved to West Virginia so Jeremy won't be on the show anymore. Brian Forster is the new Chris Partridge, and you can meet him on page 20!

Jeremy wants me to give all of you his best wishes and he wanted to say... well, let him say it to you himself! Just turn to page 18.

The first day of shooting for the new season's shows was an exciting day too! Everyone was finally back together again after months of separation! You can share vacation memories with some of the Partridges on page 42!

After everyone said hello and chatted and got "re-acquainted" it was just like one big family again. I love to spend time on the set because everyone works so well together and there's always someone who's got something interesting to tell—so I can report all the facts to you!

One of the most surprising things to happen was the "surprise party" we threw for David on his 21st birthday! Laudy Powell, our Associate editor and Editor of FaVE, Ann Moses, Editor of Tiger Beat and myself, decided the best way to show David how much we cared was with a super birthday. You just wouldn't believe all the gifts he received from all of YOU! He was so surprised. Come and see for yourself! Our exclusive celebration with David begins on page 32!

You can find more on David's party in the August issue of Tiger Beat Spectacular (see page 15) and in the June issue of Tiger Beat. If you missed it, check the back issues ad on page 7!

I hope you like the stories we've got for you this month! Write and let me know! Don't forget, there's a page for you too—"What You're Saying" (see page 22) where you can let others know how you feel!

We've also got many super exclusive products you can order right here in the pages of this magazine, and in our next issue we'll give away a Partridge script autographed for you by all the Partridges!

See you next issue,
