**Q.** I've read that Dave Madden is a photography nut. Is this true? If so, what does he like to take picture of?

**A.** Dave says he definitely is a photography nut. His very favorite subject is people! Especially people caught unaware. He also likes to develop the pictures, frame them and give them to the person he photographed as a gift!

**Q.** Does Shirley Jones like singing the "Partridge Songs" even though they are so different than the material she sang for movies like "Music Man" and "Oklahoma"?

**A.** She certainly does! Shirley feels that the music of the Partridge Family is wonderful. In the beginning when it was new to her it offered challenge as well. Now that she's used to it, she loves doing it!

**Q.** Do the Partridge kids like to have a tutor on the set or do they prefer public school?

**A.** Although all the Partridge kids love their tutor Juel Anderson, they like public school too! Suzanne and Jeremy especially miss having the companionship of the other children that they get in a public school. Danny, although he likes being with other kids too, says the work is more fun with a tutor!

**Q.** I know Shirley Jones has three boys of her own, but does she really like the kids who play her Partridge family?

**A.** Shirley loves all her co-stars and they all get along just like a real family!

**Q.** I read that Susan Dey's friend and guardian Jane Joyce went to Ireland. Is she still there?

**A.** Jane did go to Ireland for a while, but she's back in her hometown now of Massachusetts. She isn't Susan's guardian anymore because Susan turned 18 last December, but she's still her best friend!

**Q.** My girlfriend got a great little book all about Danny Bonaduce! Where can I get one?

**A.** You can get "Daring Danny Bonaduce" for your very own by turning to page 58 right now!

**Q.** I think they should give the Partridge dog, Simone, a bigger part on the show. Sometimes she isn't even in it! Who trains her?

**A.** Simone would be glad to hear that you like him so well. Yes, that's right. Though his name is Simone, he is a he! Simone is trained by Lori DeHoog of Frank Inn, Inc., a company that handles animals in show biz.

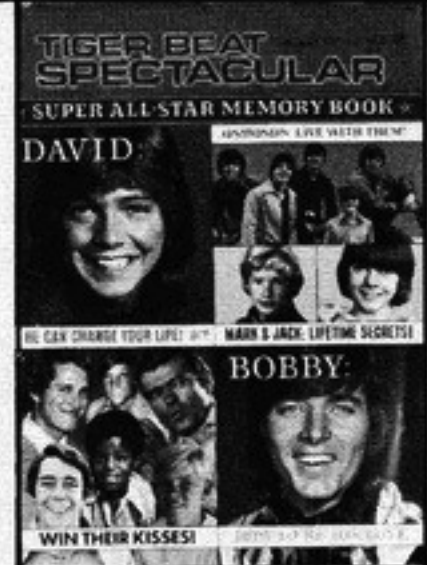

**Q.** I know that Dave Madden plays the role of a man who doesn't exactly go wild over children but how does he feel in true life?
