RUMORS & FACTS CONTINUED FROM PAGE 53

FACT: It's the other way around . . . Shirley really has short hair, and for the Grammy Awards she had her hairdresser attach a long hairpiece. She looked beautiful, didn't she?

RUMOR: Is it true that Bell Records sells tickets to watch David's recording sessions? If they do, I'd like to buy one!

FACT: Bell Records does NOT sell tickets to David's recording sessions . . . nor does anyone else! David's sessions are closed because everyone involved has to maintain a level of total concentration . . . and a small or large group would be too distracting! David wants to do and give the best possible performances on his records for all of his fans.

RUMOR: Is Susan Dey recording as a single singer on any records? I've heard that she is!

FACT: No, Susan is not recording any songs alone. She spends all of her time working on Partridge Family, and when breaks from shooting come along she usually has modeling assignments to fulfill. So, she really doesn't have time for any single recording jobs!

RUMOR: I missed the Tiger Beat Spectacular that was devoted to David Cassidy. My

friend told me that I can still order one, can I?

FACT: You sure can order a TBS all about David! Just check out page 53 and send for all the copies you want!

RUMOR: I heard that all of David's teeth are false. How could he have such a gorgeous smile and be flashing false teeth at us? I don't believe they're fake . . . but I want to read it in print!

FACT: David doesn't have any false teeth. His teeth are as real as that genuinely gorgeous smile of his!

RUMOR: Someone told me that Dave Madden has quit the Partridge Family to become a disc jockey in Hawaii!

FACT: Although Dave does have a perfect voice for disc jockey work, he is still very much a part of the Partridge Family show. He has no plans to leave!
