

**DAVID'S  
SHOCKING DISCOVERY!  
DAVID'S**

CONTINUED FROM PAGE 17

With each new encounter with his fans, the feelings David had before about "stardom" began to slip into the background. Being recognized and loved by millions of individual girls didn't make him a different person—it made him a better one!

Everytime YOU, his fans, poured your love out to him, he poured his back and so there is always a continual passage of love between you and him. And David knows that love is the key that opens every door!

So suddenly, to his surprise, David found that he didn't just like being a star—he loved it! Knowing you, had brought so much love into his life that he was becoming a better person. If being a star meant being close to YOU, then he wouldn't change positions for the world!

The clock on the mantel struck the half hour as a car pulled up before David's home. Confidently, happy and with YOU in mind, David looked forward to this and to most all of his interviews with joy, because he knew he was doing them for YOU!
