

ON THE ROAD WITH DAVID!

by Sharon Lee

When David Cassidy took off with his fantastic group of backup musicians for a concert tour in Ohio and Michigan, he invited me along to get the whole

true story just for YOU! So, come along and be a part of this exciting weekend on the road with David!

AT EVERY AIRPORT we arrived at, there were crowds of girls waiting eagerly for a glimpse of David. In Detroit, he was presented with a big bouquet of daisies by Wendy Wilber and Daisy Visger, who told me they picked the flowers themselves! David really appreciated it and kept them in his hotel room.

BELOW: IN DETROIT DAVID gave a press conference for some local students and they asked him dozens of questions. One girl wanted to know how David felt about Bobby Sherman and David said Bobby was "very, very nice." After the press conference he signed autographs and then was rushed to the hotel.

WHEN DAVID SINGS he gives it everything he's got. At the show in Dayton, Ohio, the audience kept chanting "We want David, we want David." Then, when he appeared, they really went wild! David says performing for YOU is beautiful!

BELOW: DAVID's friend and roommate Sam Hyman found a great way to spend the time on the bus ride out to the airport—reading Tiger Beat's Official Partridge Family Magazine! He liked it so much he passed it along, soon everyone in the group read it!
