

the LO down

SPRING IS HERE—and love is in the air! To prove it, **Dino Martin, Jr.** and his steady girl friend **Olivia "Juliet" Hussey** tied the knot on April 17th in a private ceremony at the Riviera Hotel in Las Vegas. Wedding guests included Dino's mom and dad, **Jeanne and Dean** (in their first meeting since their separation over a year ago), **Leonard "Romeo" Whiting**, and Olivia's mom, who flew over from England for the nuptials. Best man was Dino's pal **Desi Arnaz, Jr.** Maid of honor was Dino's younger sister **Gina**—and Dino's manager, **Bill Howard**, was ring-bearer (an error in the August SPEC got Desi's role mixed up with Bill's—sorry 'bout that!). After a brief honeymoon in Palm Springs (where Dino competed in a tennis match), the couple settled in their brand-new home in Beverly Hills. Olivia plans to continue her acting career and, though he is still in show business (records and TV specials), Dino lists his "occupation" as that of a pre-med student at UCLA.

And don't be surprised if Dino's buddy **Desi** up and marries pert **Patty Duke**, cos that on again-off again romance is more on than ever . . . And Desi's lovely sis **Lucie** has announced that she and her long-time sweetheart **Phil Vandervoort** will wed July 17 . . . And—if that were not enuf—magnificent **Michael Cole** and his sweetheart of the past six years, pretty **Paula Kelly**, will probably be Mr. and Mrs. by the time you read this—rumor is the wedding date was set for June 6th!

Who is that handsome fella handing a gold record to the **Osmond Brothers**?? It's none other than **Mike Curb**, young (25) President of MGM Records. Mike is presenting Alan and the boys with a goldie to celebrate the second millionth sales-mark reached by the Osmonds' MGM single **One Bad Apple**. Looks like adorable **Donny** will be next in line—getting a goldie for his first solo single **Sweet And Innocent** Now don't get the idea that Donny is leaving the group—it's just that everyone liked **Sweet And Innocent** so much Mike Curb decided to take it out of the Osmonds' MGM LP **Osmonds** and release it as a single . . . And don't get the idea **Mark Lindsay** is leaving the **Raiders**. True, Mark is cutting records on his own and doing TV and concert appearances, but he is still very much a member of the Raiders group, appearing with them at all Raider concerts. Same goes for **Freddy Weller**.

One of those groovy voices you hear singing harmony in the background on **Brooks Hunnicutt's** new Bell Records single is none other than dashing **David Cassidy** himself. Recently, David dropped into Brooks' record session and got there just in time to join the background voices. Brooks, by-the-by, is one of the many talented performers who appear in David's "live" concerts.

Didja ever give a listen to the mystery "**Singing Voice**" you sometimes hear in musical segments on "**The Courtship of Eddie's Father**"? Well, it turns out that that beautiful singing voice belongs to none other than handsome **Jerry Robinson**, who has just signed a record contract with MGM Records. Don't miss Jerry's first single **Cari**, and keep your eyes open for his very first MGM LP—coming soon!

Thought For The Month: You—special, miraculous, unrepeatable, fragile, fearful, tender, sparkling ruby emerald jewel—rainbow-splendor person. Would it embarrass you very much if I tell you that I love you?
