"YOU'VE GOT to be kidding me!" were David's words when he saw all his gifts.

HIS TWO BUDDIES, Sam Hyman and Steve Ross helped David get into the swing of things by opening gifts too. David read every card he got!

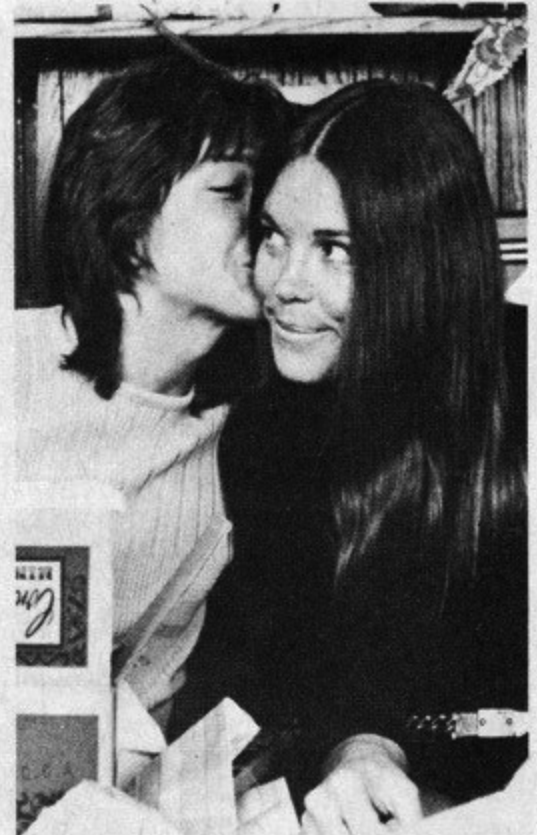

THE HANDMADE afghan sent by Eileen Fry tops David's bed at home!

What could be more fun than giving a party? Giving a surprise birthday party, that's what! And when the guest of honor is none other than **David Cassidy**, it couldn't be more perfect!

It all started more than a month ago, when **David's** 21st was just about to roll around. I got together with editors **Ann Moses** and **Sharon Lee** to discuss what we would give **David** for his birthday when **Sharon** said, "How about a party?"

We all flipped for the idea, especially because it would be an ideal way to give **David** the tons of presents that fans had been sending to our offices! But could we get him to come in to see us on a special day like his birthday? We called him immediately, giving him some excuse about needing some new photos, and **David** didn't disappoint us! "Oh sure, I'm free that afternoon," was his cheerful reply, so we went ahead with our plans!

It was a busy week as we ran

MY GIFT to David, his favorite soft drink, got me a great big kiss!
