Dear FaVE,

I've heard that Bobby Sherman is married. I know that this type of rumor has been going around Bobby for a long time, but this time it seems all of my friends believe it's true! Is it?

Sharon Davids
Hampton, Neb.

Dear Sharon,

Bobby is not married! He says that he would never abuse his fans' trust by keeping his marriage a secret or by secretly getting married! When Bobby does get married, he'll share that happy day with all of his faithful fans!

Dear David Fan,

David was born on April 12, 1950, which means he's 21! For exclusive pictures on David's 21st birthday, don't miss Laudy's "From Me to YOU" column in this issue—they're great!

Dear FaVE,

Who was the girl in the movie "In Search of the Castaways?" I thought she was really cute!

Mark Davis
Lake Bluff, Ill.

Dear Mark,

That movie was made several years ago, and the girl's name is Hayley Mills. Her sister is Juliet Mills, the star of "Nanny and the Professor."

Dear FaVE,

Are the Osmond Brothers really going to break up? I've heard that since Donny's single "Sweet and Innocent" was so successful, his brothers agreed that he would be better on his own!

Tracy Fink
Escondido, Ca.

Dear Tracy,

No, the Osmond Brothers are not going to break up... they will remain a group! Although each guy is very, very talented, they prefer to entertain as a family unit... and that will make all Osmond fans happy!

Dear FaVE,

Could you please tell me if George Harrison is still married and does he have any children?

J.M.
Baltimore, Md.

Dear J.M.,

Yes, George is still married to Patti Boyd. They have no children.

Dear FaVE,

How old is David Cassidy, really! I've heard so many different ages for him that it's hard to believe that everyone is talking about the same person!

David Fan
Des Moines, Ia.
