AFTER A FULL DAY of picture-taking inside his house, Mark Lindsay and I decided to try some different expressions in the yard!

KURT RUSSELL'S PUZZLED look is because he's thinking about a question the interviewer asked him while I was taking candid shots.

A RECENT TRIP that was lots of fun was when I accompanied David Cassidy and his buddy Sam to Hawaii. I got seasick. They skindived!

I TOOK THIS more than two years ago, and it's nice that Bobby still visits Ann Moses and the other editors when he can.

WHEN JACK WILD guest-starred on Bing Crosby's Christmas special last year I was right on the spot with my camera. His costume was so colorful I'm sorry this pic is black and white!

IT CAUSED QUITE A COMMOTION when the secret of David Jones' marriage to Linda Haines leaked out during the days of Monkeemania! Once the news was known, I called David and asked if I could do a photo layout and he was nice to invite me!
